

Graduate Student Research Support Application Department of Geological Sciences

After completing the form, have your advisor sign. Submit the form to the department secretary with a **copy of your original proposal**, a copy of the **official letter confirming your award**, and copies of your **most recent supervisory committee report and progress report**. The department secretary will forward packet to the graduate coordinator for approval. From there, it will be forwarded to the Dept. chair (if approved) or returned to you (if not approved). The Dept chair will have final approval and return it for processing. You will receive an email when the funds are available. *Last minute requests (<2 weeks) might not be completed in time. Please submit as far in advance of your research as possible.*

Name: _____ Date: _____

Title of Proposal: _____

Name of Agency/Society: _____
