

Syllabus
Field Studies Summer 2024
3 credits

Instructor: Dr. Joseph Meert

Office: Remote via zoom: MW at 8-9 pm EST

Zoom Address: TBD

Phone: 352-870-4642

Course Description: This course will coordinate your remote field/research experience/research that was arranged for your Summer A semester. Grading will be based on interim check-ins (15%), mid-term project report (20%) (see dates below) as well as your 5-page final report (excluding graphs, tables, and figures) 65%. Grade/announcements/rubrics posted on canvas.

Check-In Dates:

May 13- Confirm that you are in place and engaged in the project we agreed upon.

May 20- First check-in, brief project report to be discussed over zoom.

May 27- Second check-in, updates on project. Discussion of mid-term report due June 3

June 3- Mid-term project reports are due.

June 10- Discussion of mid-term project reports

June 17- Discussion about project wrap-up and final reports due June 28

June 28- Final project reports due

Grading Scale: Follow UF guidelines [Grades and Grading Policies < University of Florida \(ufl.edu\)](#)

Absences/Late work: Unexcused absences or late work will be subject to a 15% penalty. You may contact me ahead of time if something occurs or immediately afterward. Do not wait!

Stress/EtcIf you are having stress or other difficulties, please contact <https://umatter.ufl.edu/helping-students/mental-health/> for assistance immediately.
